Livestock Weighted Average Report for 11/11/2021 - Final

**AUCTION**

	This Week	Last Reported 11/4/2021	Last Year
<b>Total Receipts:</b>	6,924	7,960	6,440
<b>Feeder Cattle:</b>	6,924(100.0%)	7,960(100.0%)	6,440(100.0%)

Compared to last week: steer calves 450 to 700 lbs 2.00 to 5.00 lower except 500 to 550 lbs mostly steady. Heifer calves 400 to 600 lbs mostly steady, instances up to 6.00 lower on 500 to 550 lbs. Good demand for today's large calf offering with best demand seen for reputation calves sold in loads. Many attractive calves to choose from today, most in light to moderate flesh and off the cow. As with previous weeks, calves without full preconditioning, or at least a full round of fall shots, see light to moderate demand. An active market with many buyers as well as some farmer feeders and bull breeders attending the sale. A high wind advisory for much of the state today with some areas seeing some snow. Travel conditions for high profile vehicles such as cattle trucks are not ideal and many calves will be waiting out this bout of winter weather at the sale barn. Next feeder cattle sale is Thursday, November 18. Supply included: 100% Feeder Cattle (62% Steers, 38% Heifers). Feeder cattle supply over 600 lbs was 23%.

**FEEDER CATTLE****STEERS - Medium and Large 1 (Per Cwt / Actual Wt)**

Head	Wt Range	Avg Wt	Price Range	Avg Price	
74	360-385	377	207.00-212.00	210.62

#### Please Note:

The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.
